10. Each question in the question paper carries 1 mark. There is no negative marking for any question.

11. SPECIAL MARKING RULE FOR CLASS 11TH MOVING STUDENTS:

Class 11th moving students will have a special marking and ranking rule. There will be 50 questions in their paper – Physics 10; Chemistry 10; Maths 15; Bio 15. Each 11th moving student will answer all 50 questions compulsorily. It does not matter whether a candidate is Maths group aspirant or a Bio group aspirant. Each candidate will answer all 50 questions.

However, independent ranking will be done based on the candidate's PCM marks and PCB marks.

A PCM ranklist will be generated out of 35 marks and another PCB ranklist will be generated out of 35 marks. Independent scholarship scheme will be applicable on both rank lists. The ranking and scholarship of PCM rank list will be applicable on the Maths group aspirants and that of PCB rank list will be applicable on the Bio group aspirants. Both the rank lists will have no connection with the other. The benefits of one will not be applicable on the other. One candidate can avail the benefits of only one rank list at a time. Choosing one will automatically cancel the benefits of the other rank list.
