About CATJEE

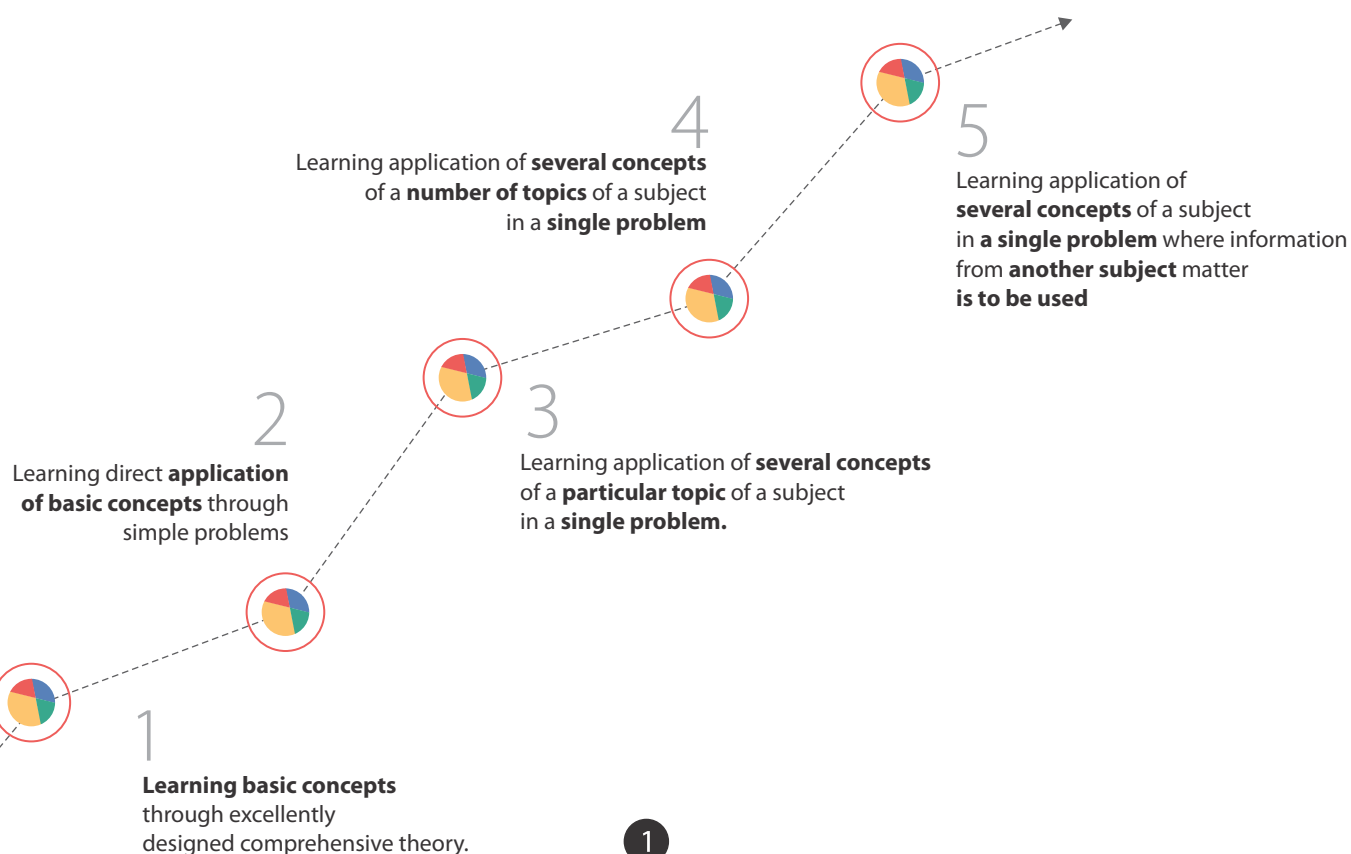

(Council of Alumni of IITs for Joint Entrance Examination)

Established in the year **1996** by a group of IITians, **CATJEE** started with an urge to set standards of excellence and perfection in the quest for a place in IITs and other engineering colleges of repute. Ever since it was established, popularity and demand for its class room contact program has increased exponentially. The expertise and devotion of its teachers and the methodologies followed by them have generated a confidence amongst the students, parents, schools and public in general due to which **CATJEE** is regarded as a premier institute for IITJEE/NEET today.

Growth of a JEE/NEET Aspirant at **CATJEE**

Through our Classroom Contact Program

Class Room Contact Program

Our efforts towards creating the best
learning-teaching experience.

Part

1

Nurturing Self Confidence

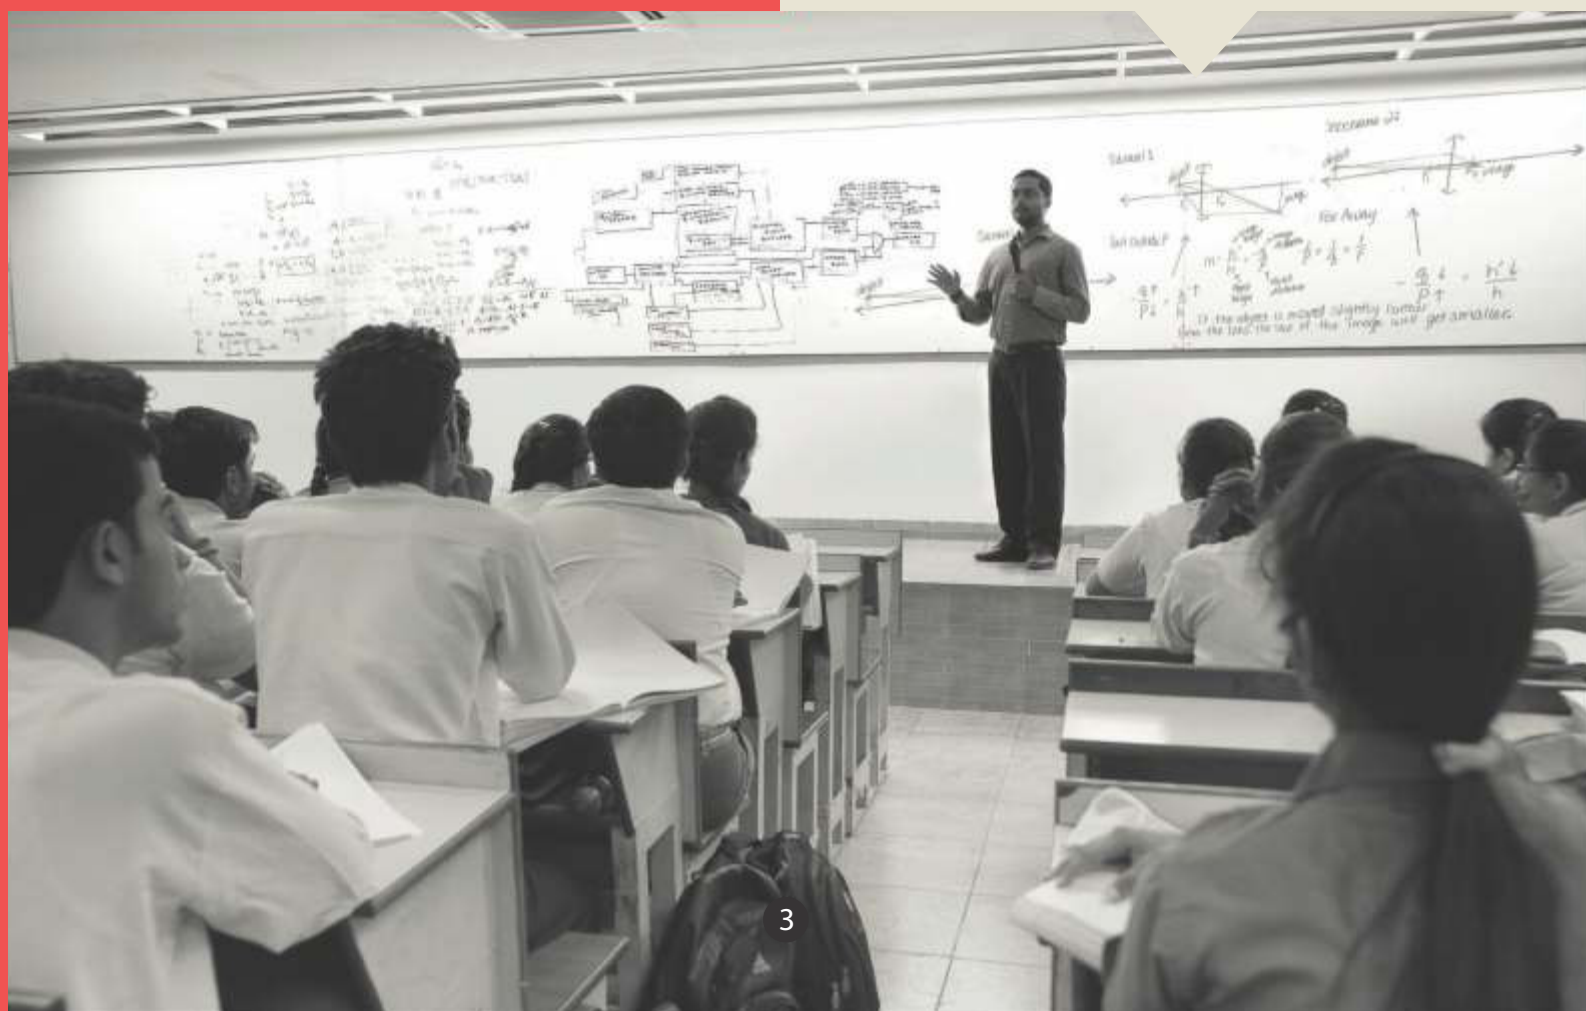

The intensive class room program of **CATJEE** is highly **compact, directional** and **designed in a scientific way** so that the student gains confidence in a very small duration. The methodology lays emphasis on fundamental concepts of each subject and sharpening analytical skills to enable them of resolving the complex and tricky problems by mere **application of basic concepts**.

Once a student has got himself / herself enrolled in our class room contact program **he/she needs no external help** of any sort. Our years of experience ensures that students who sincerely follow us qualify IITJEE (JEE Main & JEE Advanced) / NEET with extremely good ranks.

Comprehensive Classroom Lectures

All the classes in **CATJEE** are taken by **highly qualified** and experienced faculties, **mostly IITians/Medicos**. Each chapter is started at the grass-root level and is dealt with to an extent which is the requirement of IITJEE (JEE MAIN & JEE ADVANCED) / NEET with the aim of enabling the student to develop a comprehensive view of the whole chapter with a thorough understanding.

The class room lectures are so integrated with finest examples that once a student attends a complete lecture with attention he/she is practically **left with no confusions** so far as the fundamentals are concerned. Moreover the class notes dictated during the lectures are so detailed that a thorough revision of the class notes along with previous years IITJEE/NEET questions completely addresses the requirement of IITJEE (JEE MAIN & JEE ADVANCED)/NEET.

Teachers & Students engrossed in discussions over a doubt

Doubt Clarification

"If you ask a question, you may appear to be a fool for some time but if you don't ask it you will remain a fool for the whole life".

In **CATJEE** we encourage the students to ask their questions and doubts. For this we have a pool of competent & dedicated teachers in each subject who are available to the students for **free interaction**. A student may interact with the concerned teacher before or after the classes or at any prefixed time as decided by the teacher and the student.

In addition to direct interaction with concerned teachers, a student may post his/her academic doubts on **CATJEE** online platform and those are answered by the concerned teachers within 24 hrs.

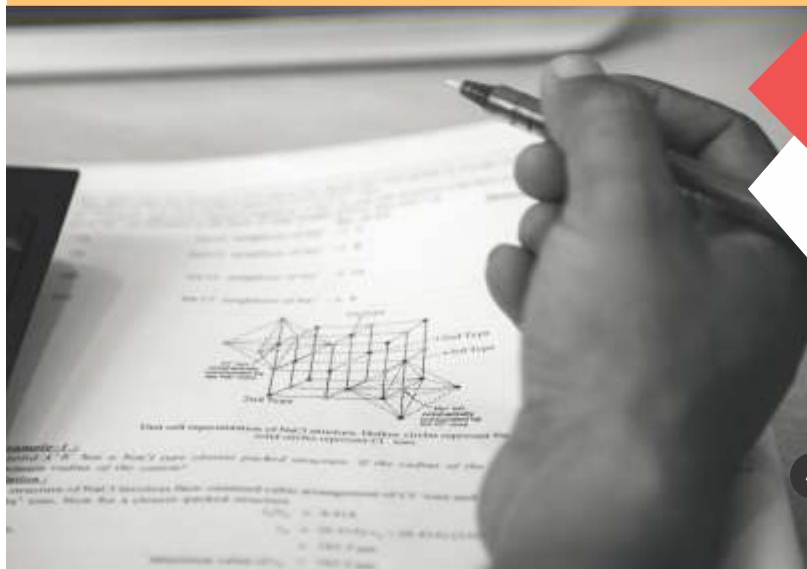

Regular Tests : Online & Offline Mode

At **CATJEE**, we are always committed towards giving our students the best and keeping them updated so that they stay abreast in the ongoing competitions. As JEE Main and Advanced are online exams, we, at **CATJEE**, have a dedicated online testing platform for our students wherein our students appear for regular Computer Based Testing. A student can also appear for practice online tests from his/her home through our website or mobile app. We also take regular offline tests. This combination of online and offline testing keeps our students at par with the latest developments taking place in the world of JEE/NEET.

CATJEE conducts regular **monthly tests both on IITJEE (JEE MAIN & JEE ADVANCED)/NEET and Board Examination pattern**. Complete and **detailed solutions** of the tests, prepared by the teachers, are **distributed** to the students **immediately after the tests**.

Further, the students' **performance report is communicated to their parents through SMS** on their registered numbers. Besides these tests a number of chapter wise tests of a short duration are conducted at regular intervals as announced by the concerned teachers. A team of expert faculty designs the test paper and the **question in the tests are highly exam oriented**.

Addressing the Board Exams

It is a common fear that the students preparing for the competitive examinations might not fare very well at the school board examination level. This often happens because they are **grilled more in the competitive domain** and are **not given elaborate grooming in writing subjective answers** required for the board examination.

CATJEE has a distinct methodology for **preparing for the board and IITJEE/NEET level together**. This is done by making the NCERT textbooks as the basic handbook of teaching in the class. Any subject is **taught** in strictly the **same sequence as given in the NCERT textbook** so as to prevent the child from developing undue confusion.

Independent Board (NCERT) level tests are conducted alongside the IITJEE/NEET level test and the copies are corrected at a very meticulous level by teachers. The **students** then **receive methodical board level tips** so as to perform excellently well in the exams.

The detailed solution to each test paper does the rest of the work. This is why the **foundation batch students of CATJEE perform excellently well in their board exams**.

Customised Study Material

CATJEE provides **complete updated study material in the form of booklets, daily practice problems (DPP's) & class sheets** which carry comprehensive theory, examples to explain the theory, level based graded exercises, and recent year **questions asked in IITJEE (JEE Main & Advanced)/NEET**.

The study material is designed to supplement the class room contact program of **CATJEE**. The synchronization of classroom program with the study material is a unique feature of **CATJEE** which in long run produces synergetic effect on the student & uplifts him to face the rigors of competitive exams with high level of self confidence. The key features of the study material provided, are:

-  Comprehensive Theory
-  Finest examples to enhance the understanding of basic concepts.
-  Objective based exercises to face the current pattern of examinations.
-  Subjective based exercises to inject the depth of the chapter.
-  Recent year questions for a vivid perception of the current pattern.

State-of-the-Art **Infrastructure**

CATJEE incontestably owns the **best infrastructure** in the **IITJEE/NEET** coaching industry in the city which is also one of the best in India. Its lush green campus with a **huge internal movement** and **parking space**, state-of-the-art **air-conditioned classrooms** with unmatched **acoustics**, an incomparable sound support, exquisite furniture for seating coupled with **round the clock power supply** makes the job of intellectual accomplishment for the child a pleasure.

We also have a very keen eye for the sanitation and hygiene for children and this is reflected in the relentless effort made by the support staff in keeping every nook and corner of the campus, including the toilets, clean.

Research & Development

CATJEE owns a dedicated Research and Development Cell where a team of highly experienced faculty is dedicatedly at work on reinforcing the existing study material, creating innovative questions and preparing simulation exam papers of Board Examination, JEE MAIN and JEE ADVANCED / NEET keeping an acute vigilance on the current exam trends and paper patterns of the mentioned examinations.

Canteen

CATJEE has on-the-campus canteen facility for students so that the students get light refreshment in the safe precincts of the campus of the institute.

Besides saving time, the canteen facility also ensures that the students compulsorily stay inside the campus main gate and do not move out before the classes get completely over.

Hostel

CATJEE neither runs any hostel of its own nor is it associated with any hostel directly or indirectly. However, there are several good hostels in the vicinity of **CATJEE** campus about which the parents get dependable information from the office front desk.

The parents and guardians are advised to talk to the hostel management in person regarding their terms and conditions before admitting the child in the hostel. Hostel boarding charges per month vary between ₹ 8,000.00 to ₹ 9,000.00

Biometric Attendance

Students' safety is one of our topmost priority and keeping that in mind we have installed biometric attendance machines for students. A student is expected to punch his finger-print attendance on the biometric attendance machine at the time of entry into the **CATJEE** campus and also at the time of exit. The parents are instantly notified with a SMS both at the student's entry as well as exit time.

Transport

As a matter of philosophy, **CATJEE** suggests every student to use his/her own personal vehicle to commute between home and **CATJEE** institute. Using a personal bicycle or electric bicycle or non-licensed electric scooters etc saves minimum 1.5- 2 hours (per day) of a student which he/she invests sitting inside a public transport system.

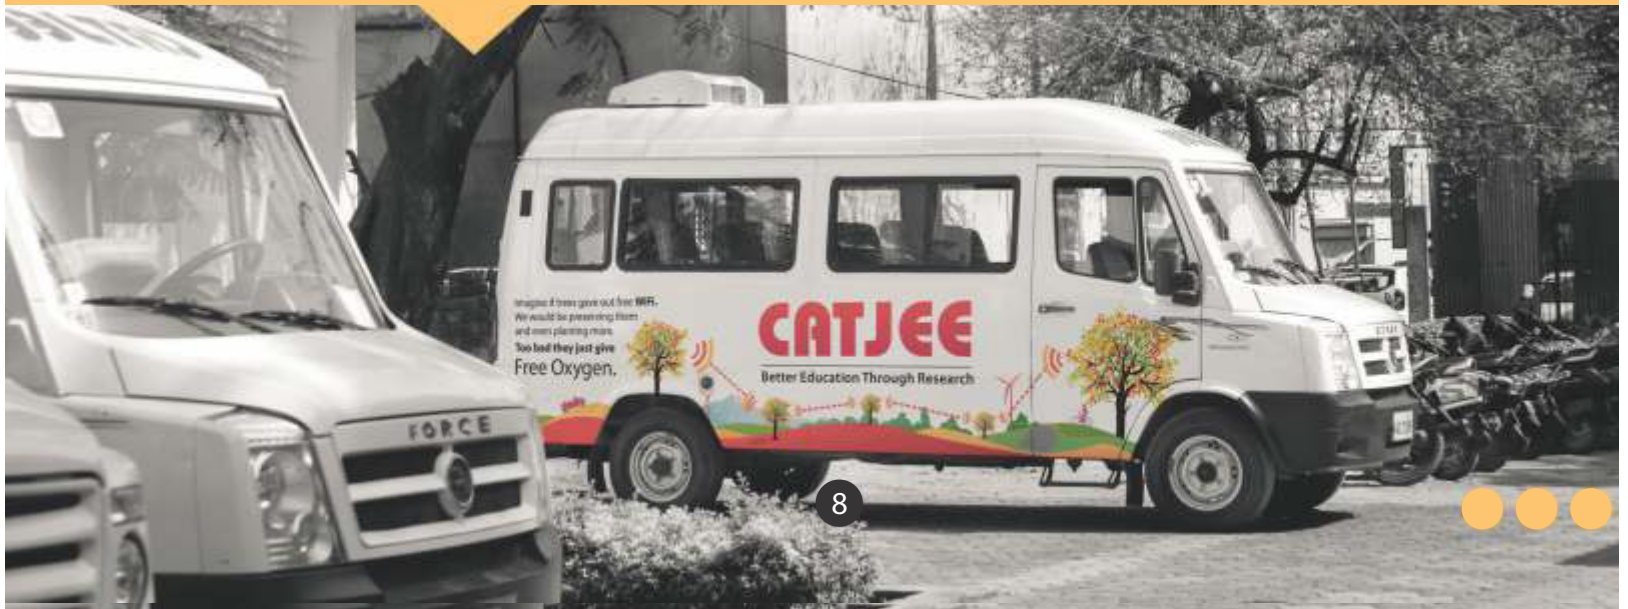

Moreover, a public transport system will definitely leave campus at fixed time at the end of the classes and hence the student will never be in a liberty to stay back and clear his/her doubts under the guidance of the teachers.

However, **CATJEE** does run around 12-13 buses for those students who really come from far off locations but due to logistic limitations, the transport facility is open only for students studying in Comprehensive **CATJEE** School Program (Classes 9th to 12th School Program). The monthly fare for students varies depending upon their distance from the **CATJEE** campus.

The exact detail of the routes, seat availability and monthly charges is available with the Transport In-charge on +91-740-842-3009.

Tips to Students

**Big goals in life are never a fluke.
They are a cumulative result
of a hundred odd factors.**

The student who comes to study in **CATJEE** is the centre point of the whole program. No success is achievable without a committed effort by him/her. All our efforts will go in vain until the student follows our experienced advice and works in complete harmony with the teaching methodology adopted by us.

1 Doing it well with the Proper Study Method

Never make **Daily Practice Problems**
your **Daily Pending Problems** !

Be regular about revising the class notes and **solving the DPPs (Daily Practice Problems)** given in the class on a specific topic. The Daily Practice Problem (DPP) should never convert into a Daily Pending Problem. Always refrain from shifting a job for another day, the habit of procrastination.

Comprehension of scientific material is always very slow for a human mind and its retention is even more difficult. So **always go for repeated reading of a text**. Take down your own notes while reading, which further helps in retention of the read content. **Note down** what you failed to understand separately under the heading "**Things to ask the teacher**" and ask in the doubt clearing sessions.

Never skip a derivation. Derivation is also a numerical in itself. Most fundamental concepts, analytical and logical reasoning are developed from thorough reading of derivations. The comprehension based questions are generally made from derivations.

After reading a paragraph always ask yourself "what tricky questions can be framed on the text?" This helps in **building critical view of a written text**, which is very important for tracking assertion and reasoning type problems.

Self-study is the key to success. An IIT / NEET aspirant needs to **devote minimum 30 hours** in a week (at an average of approximately **four hours a day**) to self-study.

Never rush to see solution of a numerical. Delay it as long as you can. Hard fought results give you confidence and maturity.

Try your level best never to miss a single class. Remember that a class missed is equivalent to missing a vital link of a long chain. No extra classes are capable of imparting what you missed in that class in a sequential series of lectures about the subject.

2 Delivering your best by Being Fit & Smart

"A healthy mind resides in a healthy body." An IIT/NEET aspirant can not afford to forget this proverb ever. You can never perform well if you are not healthy. 'Health' is a sum total of your physical health, your mental health and your emotional health. To keep yourself completely healthy:

Do Exercise
& Walking

Get involved
in Sports

Avoid
Junk Food

Eat Healthy
& Fresh

Do Yoga
& Meditation

Avoid Late
Night Studies

A Word of Advice to Parents

There is no denying the fact that parent and guardians are the closest to the child and his/her biggest well-wisher. But a very important fact needs to be appreciated by the parents that assisting your child crack IIT JEE / NEET is no less than a Himalayan task for us. And that necessitates a close harmony in working between the parent and the faculty at **CATJEE**.

It is always an obligation on the part of the parents to ensure the following in the best interest of the child :

- ▼ His/her regularity to the classes.
- ▼ Maintenance of a study-friendly atmosphere at home.
- ▼ A mild vigilance upon the child's everyday activities to prevent any distraction from studies.
- ▼ Cooperation with the child in his/her times of academic crisis or when he/she feels low.
- ▼ Avoidance of unnecessary performance pressure.
- ▼ Constant positive motivation to work in a smarter way.
- ▼ An essential faith on the teaching methodology and the intent of the **CATJEE** system.

What is a Pre-Foundation Course ?

In this high competitive era, whether a child is aiming to build up a career in engineering or medical or commerce or banking or aviation or any other professional field he/she must be fundamentally strong to make the journey smooth and productive.

The pre-foundation course addresses the school exams as well as the competitive exams like Olympiads, NTSE and several others. As a matter of practice the teaching methodology of **CATJEE** lays emphasis on the basic concepts, which is still given more stress in Pre-foundation course **to bridge the jumping curriculum difference between the 10th and 11th level.**

Fee Payments

Pre-Foundation

Fee for any course can be paid in any of the following modes:

- Fee can be paid either in cash or through Debit card or Credit card or UPI at **CATJEE** reception desk. We discourage payment through account payee cheque. However, payment through account payee cheque is accepted when other means of payment fail.
- Fee can be paid through online money transfer method (NEFT/RTGS) in ICICI Bank account of **CATJEE**. An image of the fee submission slip generated online in this process is to be immediately posted through WhatsApp on the mobile number **7307016602** along with Student's Name, Roll No., Class & Batch. In such cases fee receipt will be provided only upon submission of the image of the mentioned slip.
- Fee can be paid in monthly installments, in auto-debit mode (through ECS Channel) from bank account of student/parent/guardian. In this mode of payment maximum 5 installments are allowed provided the date of last installment does not exceed 11 October. It is to be noted that the monthly ECS debit date is fixed to be 11th day of each month.
- If a parent choose to pay the fee in installments but without auto-debit mode then the entire fee can be paid in at most 3 equal monthly installments directly at **CATJEE** reception desk.

NOTE: 1. Only ONE Scholarship / fee waiver with the highest rebate amount is applicable.
 2. Any scholarship / fee waiver is valid only for ONE year.
 3. If entire fee is paid in a single installment or in 2 installments within a gap of 15 days then students get an additional fee waiver of 5% on the "NET PAYABLE **CATJEE** FEE".

Terms & Conditions

- ✓ A student is allowed to appear in General Admission Test only once.
- ✓ The institute reserves the right to change the date and time of General Admission Test with a prior notice.
- ✓ If a candidate is eligible for more than one category of fee rebate then only one category is applicable in which the candidate gets the highest fee rebate.
- ✓ Candidates given free-ship have to deposit Rs 10,000.00 as caution money. This caution money is refunded in the month of July and August provided the candidate secures an aggregate of at-least 85% marks in his/her Annual/Year- End/Board Exam.
- ✓ The scholarship in **CATJEE** fee awarded at the time of admission is valid only for one year.
- ✓ If the marks secured by a candidate in **CATJEE** admission test is suspicious then the institute reserves the right to re-conduct another test/interview for that particular candidate & re-decide the scholarship amount. In such a situation the re-declared scholarship amount may increase or decrease from the scholarship amount declared previously.
- ✓ In case of disqualification in entrance test the candidate is not allowed to take admission.

Special Rebate for students enrolled in Central Hindu School (Boys' & Girls'), Varanasi or in any JNV (Jawahar Navodaya Vidyalaya)

If a student studying in CHS (Boys' & Girls'), Varanasi, or in any JNV applies for admission in class 9th or 10th, in **CATJEE** then he/she is entitled to special rebate of 30% on the **First year's CATJEE** fee just by scoring 30 marks in GAT. The student can claim this special fee rebate only upon production of his/her fee receipt of CHS/JNV of the current session. However, if such a student is eligible for more than 30% rebate due to any other scholarship clause then this special rebate will automatically stand null and void.

Fee Payments

Foundation

Fee for any course can be paid in any of the following modes:

- Fee can be paid either in cash or through Debit card or Credit card or UPI at **CATJEE** reception desk. We discourage payment through account payee cheque. However, payment through account payee cheque is accepted when other means of payment fail.
- Fee can be paid through online money transfer method (NEFT/RTGS) in ICICI Bank account of **CATJEE**. An image of the fee submission slip generated online in this process is to be immediately posted through WhatsApp on the mobile number **7307016602** along with Student's Name, Roll No., Class & Batch. In such cases fee receipt will be provided only upon submission of the image of the mentioned slip.
- Fee can be paid in monthly installments, in auto-debit mode (through ECS Channel) from bank account of student/parent/guardian. In this mode of payment maximum 5 installments are allowed provided the date of last installment does not exceed 11th October. It is to be noted that the monthly ECS debit date is fixed to be 11th day of each month.
- If a parent choose to pay the fee in installments but without auto-debit mode then the entire fee can be paid in at most 3 equal monthly installments directly at **CATJEE** reception desk.

NOTE:

- Only ONE Scholarship / fee waiver with the highest rebate amount is applicable.
- Any scholarship / fee waiver is valid only for ONE year.
- If entire fee is paid in a single installment or in 2 installments within a gap of 15 days then students get an additional fee waiver of 5% on the "NET PAYABLE **CATJEE** FEE".

Terms & Conditions

- ✓ A student is allowed to appear in General Admission Test only once.
- ✓ The institute reserves the right to change the date and time of General Admission Test with a prior notice.
- ✓ If a candidate is eligible for more than one category of fee rebate then only one category is applicable in which the candidate gets the highest fee rebate.
- ✓ Candidates given free-ship have to deposit Rs 10,000.00 as caution money. This caution money is refunded in the month of July and August provided the candidate satisfies atleast one of the following four conditions:
 - The candidate secures an aggregate of at-least 90% marks in 12th Board Exam (Securing an aggregate of at-least 90% marks only in PCM/PCB will not be considered).
 - The candidate secures atleast 98 percentile in JEE MAIN or atleast 500 marks in NEET.
 - The candidate is eligible for counseling in JEE Advanced (that is, secures some rank in JEE Advanced qualifier list).
- ✓ The scholarship in **CATJEE** fee awarded at the time of admission is valid only for one year (for class 11th).
- ✓ If the marks secured by a candidate in entrance test is suspicious then the institute reserves the right to re- conduct another test/interview for that particular candidate & re-decide the scholarship amount. In such a situation the re- declared scholarship amount may increase or decrease from the scholarship amount declared previously.
- ✓ In case of disqualification in entrance test the candidate is not allowed to take admission.

Special Rebate for students enrolled in Central Hindu School (Boys' & Girls'), Varanasi or in any JNV (Jawahar Navodaya Vidyalaya)

If a student studying in CHS (Boys' & Girls'), Varanasi, or in any JNV applies for admission in class 11th or 12th, in **CATJEE** then he/she is entitled to special rebate of 30% on the **First year's CATJEE** fee just by scoring 30 marks in GAT. The student can claim this special fee rebate only upon production of his/her fee receipt of CHS/JNV of the current session. However, if such a student is eligible for more than 30% rebate due to any other scholarship clause then this special rebate will automatically stand null and void.
